Guide for teachers and families

WHO IT IS FOR

Preschool and early primary (ages 3-8). Everyday food vocabulary.

GOALS

- Grow food vocabulary in English.
- Sort foods by type (fruit, vegetables...).
- Encourage healthy habits by talking about food.

ACTIVITIES WITH PROGRESSION

Starter level

Name each food with the card. Then show only the word and guess which one it is.

Intermediate level

Sort the cards: fruit / vegetables / others. Or split healthy food from treats and talk about it.

Advanced level

Set up the toy shop or restaurant: prices, orders and dialogues with the cards as support.

Print on A4, cut out and laminate. Combine with the animal cards for richer sorting games.
