

The class visual timetable

Activity cards to plan the day

Contents:

- 40 activity cards to cut out
- 5 weekday headers
- Ideal with velcro or magnets on the board

Print on A4 and cut along the dotted lines. Recommended: laminate to reuse.

Guide for teachers and families

WHO IT IS FOR

Preschool and early primary (ages 3-8). Very useful for children who need to know what comes next, newcomer classes and special education.

GOALS

- Make the day predictable and ease anxiety.
- Make children independent in routines.
- Introduce the days of the week.

ACTIVITIES WITH PROGRESSION

Getting started

Hang the day header and order the morning cards together at circle time. Remove each card when the activity ends.

Consolidation

Let a child (the helper) order and remove the cards.

Extension

Add times to each card or prepare tomorrow's timetable before going home.

Print on A4, cut out, laminate and put velcro or magnets on the back. Works best on the board or on a wall display at the children's eye level.
